

The Sixth SEEDI Conference
Digitization of cultural and scientific heritage
Zagreb, Republic of Croatia
May 18-20, 2011

SEEDI

SEEDI (<http://seedi.ncd.org.rs/>) is an international effort to develop awareness about digitization of cultural and scientific heritage in the South-Eastern European countries and to bring together:

- Archivists, librarians and curators responsible for the preservation of and permanent access to cultural and scientific heritage;
- Information technology researchers developing projects on digitization of cultural and scientific heritage,
- Scholars in the arts and humanities, social sciences, history and computer science, students and all the other interested in digitization of cultural and scientific heritage.

ABOUT THE CONFERENCE

The aim of the Conference is to present and exchange experiences with new information technologies, standards and the other fields in the area of digitization of cultural and scientific heritage, including, but not limited to:

- digital capture and transformation from analogue to digital form,
- describing and representations of heritage objects and documentation about them,
- processing of digitized content,
- presentation and long term preservation of digitized content.

ACTIVITIES

The Conference will have plenary sessions, invited lectures and round tables.

CALL FOR PAPERS AND REGISTRATION

Contributions related to all aspects of digitization of cultural and scientific heritage are encouraged. Papers that report on applications of information technologies in the field of digitization are particularly welcome. The proposed papers will be selected by the Program committee.

Theme suggestions for the Conference:

- coordination and financing of the digitization of cultural heritage at local, national, regional and European level
- original-digital materials challenges of identification, storage, access
- 3D technology - a key digitization of architectural heritage

- digitization of historical newspapers and journals
- copyright and digitization

You are welcome to send your abstract and paper submission on following addresses:
seedi2011@nsk.hr

CONFERENCE PROCEEDINGS

Presented papers, selected after a review by the international editorial board, will be published in the Review of the National Center for Digitization, Serbia (http://elib.mi.sanu.ac.rs/pages/browse_publication.php?db=ncd).

CONFERENCE VENUE

The Conference will take place in Zagreb, Republic of Croatia.
