

Dear Participants,

I have been informed from Hotel Inex-Gorica that they are capable to accept guest from our Conference from September 11, 2005. That means that we have to postpone our program for half of a day. So we will start with our Conference on September 11 at 16:00 our, and we will end on September 14 at 20:00 our.

I apologize for this inconvenience.

I have obtained some remarks on the preliminary Conference program and anyone having remarks or suggestions let she/he inform me as soon as possible. We will try to improve the program as much as it is possible.

Please, try to make your travel arrangements according to the new changed dates. In the case you cannot make travel changes, **DO NOT WORRY, WE WILL ARRANGE YOUR STAY IN OHRID FOR September 10** (for the same or reduced price).

The hotel Park has limited capacity and, please, try to reserve hotel Inex-Gorica instead. All obtained reservations for Hotel Park until now and some of the next ones will be accepted, and we will inform you on time if the reservation for hotel Park is not possible.

We are trying to reduce the conference fee and we will inform you for that when we will get the answers to our asking for sponsoring. The students and the accompanying persons will get reduced conference fee. Sorry I am not able to give you final answer this moment.

Once again, I am sorry for this unexpected changes and, please, accept my apologize.

With best regards,

S. Markovski
